

Pickup Truck Usage Program

How the program works:

1. Call me at 751-760-3099 to let me know you would like to use the truck. If it is not already scheduled, it is yours to use.
2. Return the truck on the date and time we have agreed upon with a full tank of gas (or at least as full as you found it).
3. No one under 21 may drive the truck.
4. The truck is for use in Linn, Benton and Polk counties unless otherwise approved by Fred Adams
5. You will need to have a valid insurance card and driver's license.
6. Two days maximum use.

Who can use the truck:

1. Clients currently in the buying or selling process with Fred Adams will have a first priority for truck scheduling on a first come first served basis.
2. Past clients, friends and acquaintances of Fred Adams
